

Introducing *ITW Inks*

Formulated for Marsh® Inkjet Printers

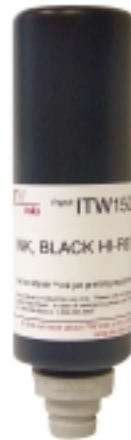

The **QUALITY** You Need.

Consistent performance of your ink jet printers is vital to your production line operation, so you need quality inks that deliver sharp barcodes and text messages time after time, year after year. That is exactly what you get with ITW Inks.

- ▲ Variety of inks for Marsh models/printheads
- ▲ Inks for valve systems and Unicorn® printers
- ▲ Inks for porous and non-porous surfaces
- ▲ High-resolution inks for special applications
- ▲ Sub-micron filtration assures quality control
- ▲ Fully inspected to ensure consistent quality
- ▲ Available in bottles, pails or cartridges

The **VALUE** You Want.

Ink quality is vital, but it's not the only factor that is critical to your success. Controlling costs is just as important as optimizing quality, and that's where ITW Inks give you something extra—a competitive edge in a competitive world.

- ▲ ITW is a world leader in inkjet technology & products
- ▲ Low price/high value is an ITW core philosophy
- ▲ Competitive lead times and deliveries
- ▲ See back side of brochure for specifications

ITW **Inks**
